One training lesson takes 45 Minutes.

This offer does only apply if exams are passed on the first try and within 25 training lessons plus 12 special lessons. If you need to repeat one or both exams, you need to pay both the TÜV and exam fees again before your next appointment.

We request upfront payment in our driving school. **Unused credit will be tranfered to your bank account after you've passed both exams.**

Before being able to start the the final driving exam, all open balance must be paid in full.

If we open a new registration with the authorities, our terms and conditions apply.

All prices above are including taxes.
